EARLY ACCESS

We understand that some organizations have a responsibility to return field trip groups to their homebase at a reasonable time, and our standard operating hours don't always allow for experiencing our exhibits with time to get home. In order to better accommodate field trip groups, we offer them early access to our exhibits outside of our standard operating hours. To illustrate, if your field trip group has a two-hour early access booking on a day that our public opening is 2:00pm, your group's access starts at 12:00pm. The larger the group, the earlier the access we can provide.

2-hour early access: 25 attendees

3-hour early access: 55 attendees

4-hour early access: 85 attendees

NEXT STEPS

Now that you've filled out our [Field Trip Inquiry Form](#), one of our staff will review it to ensure we can accommodate your request and reach out via email. If we are able to meet the needs of your group (and we try very hard to do so), we'll email an invoice and a sales agreement through Square. Once the invoice is paid and the sales agreement is signed, we will create your digital tickets.
